

South Georgia Chapter

The Chapter Board recently met and agreed once again to press forward to a **March meeting**. We will meet at the Holiday Inn Convention Center on West Hill Avenue (84 West) off of Exit 16. There is plenty of parking. For your info there will be no need to enter through the main entrance, there are double white doors to enter on the west of the main entrance for our meeting room. The restrooms are close by the meeting room and the open bar is next to their restaurant in the main lobby.

Our meeting schedule will be to meet and greet from 6-6:30 and eat at 6:30. Large round tables will be set for social distancing (four people per table). The Board members are looking forward to all of us getting together again. As you may remember our last meeting was in March last year—WOW-a whole year.

We do ask that you give it your best shot and make the meeting. **Thursday, MARCH 11 at 6 p.m.**

A BIG favor when you read this newsletter. Please, Please let Don know as soon as possible. If our response is too small, we may have to cancel the meeting. We hope to avoid that.

Stay well and safe. Contact me if you have any questions.

Warm Regards,

Don McArthur
