President's Corner

I want to take a moment to express my sincere gratitude for allowing me to serve as your President. It has truly been an honor to lead such a dedicated and passionate group of individuals who share a commitment to supporting our military community and advancing the mission of MOAA.

Your trust and support have made this role both meaningful and rewarding. Together, we will strengthen our chapter, build lasting connections, and continue to make a positive impact in South Georgia.

I want to publicly thank both Don & Sara McArthur for their leadership, dedication and service to both me during our transition and to the members of the Chapter. I also want to thank them and Rosetta Coyne for the great pictures in this month's newsletter.

Thank you for giving me this opportunity. I look forward to continuing to collaborate with you as we move forward together.

Tom McCracken
President, South Georgia Chapter, MOAA

Chapter Meeting – January 8, 2026

Guest Speaker – Dr. Tad Moseley (DVM), Animal Health Care, Valdosta, GA

Dr. Tad Moseley was born in Jacksonville, FL and moved to Valdosta with his family as a toddler. He attended Valdosta High School graduated summa cum laude from Auburn University's College of Veterinary Medicine in 2003. His specific interests in practicing medicine and surgery include avian and exotic animals in addition to companion animals such as dogs and cats.

The Moseley family includes Rebecca, his wife, and three sons: Thomas, Charlie, and William. The Moseley's live in Valdosta with Buddy, a Catahoula Leopard dog, and Charlotte, a Labrador/Golden Retriever. They also have three cats named Salvatore, Dansby Swanson and Sista Nula.

Dr. Moseley also serves on the Valdosta City School Board of Education (District 6). In his free time, he loves attending football games and swimming meets for his youngest son, William. Charlie is now in the Navy and Thomas is presently away attending Berry College.

He presented information to the Chapter on the different types of veterinarians (military, research, general practice, farm, etc.), what services he provides, how has come to own his own business, as well as answered various questions from the Chapter members.
